## **CRITCHLEY** **INTERIM HEAD COACH**

One of the first hires for the academy back in 2021, Critchley played an instrumental role in the success of the academy program, coaching the U-16 team in 2022 and the U-17s in 2023. In his role, he coached young players like Mykhi Joyner, Caden Glover and Tyson Pearce, helping them along the club's player pathway and developing them on and off the field.

Critchley has coached 14 academy players who made debuts for CITY2 and has seen 26 other players progress to receiving collegiate scholarships to continue their careers. A proven winner, Critchley led the club's U-16 team in 2022 to an MLS NEXT Flex tournament win and an MLS NEXT semifinals playoff appearance.

In 2023, Critchley led the U-17 team to an MLS NEXT Flex tournament win and a quarter final appearance in the playoffs. Following his playing career, he joined the coaching staff at OWU, leading the team's development training and exercise programs. In 2013, he was appointed director of coaching for Northeast Oklahoma Football Club and after two years he joined USL Championship team Tulsa Soccer Club as a staff coach. Prior to his roles at CITY SC, he was the technical director at Lou Fusz Athletic.

### KLAUSS MAKING HISTORY

- ▶ João Klauss scored his third, fourth, and fifth MLS goals of the season against LA Galaxy, bringing his total to seven across all competitions.
- ▶ His hat trick was the first in CITY SC history. The Brazilian striker has scored five goals in his last five matches across all competitions.
- ▶ For his standout performance, Klauss was named MLS Player of the Matchday presented by Michelob Ultra for Matchday 19.
- ▶ It's his second time earning the honor, having previously won it on Matchday 35 in 2023.
- ▶ Klauss leads the team all-time in goals with 22, and is one of three current St. Louis CITY SC players with double digit goals.
- ▶ Klauss has also continued his good run of form in front of goal since Critchley took over the team. The forward has scored six goals in his last six appearances for the club.

### NEW HOME: ENERGIZER PARK

- ▶ In 2024, CITY SC's home stadium was rebranded Energizer Park in a landmark naming-rights deal with the St. Louis-born global brand Energizer.
- ▶ Since opening, the stadium has quickly developed a reputation as one of the most energetic venues for visiting MLS teams, with CITY SC posting a 20-12-10 home record and scoring 71 goals.
- ▶ CITY SC has scored multiple goals in 19 of their home matches and has scored three goals or more in 12 of those.
- ▶ Eduard Löwen has been the heartbeat at home, recording 24 goal contributions (10 goals, 14 assists) across 30 regular season matches in St. Louis.
- ▶ The 22,500-seat stadium also gained international acclaim in 2024, earning recognition from the Prix Versailles as one of the world's most beautiful sports venues.

### PLAYER OF THE MATCHDAY

- ▶ St. Louis CITY SC forward João Klauss was voted the Major League Soccer Player of the Matchday presented by Michelob Ultra for Matchday 19 of the 2025 MLS season.
- ▶ The Brazilian forward netted the first hat trick in club history during a thrilling 3-3 draw with the LA Galaxy, including an equalizer late in stoppage time to salvage a point for St. Louis. The three-goal outburst brings Klauss to five on the year, leading the team and matching his total from 2024 just past the midway point of the 2025 campaign.
- ▶ St. Louis' first-ever designated player, Klauss is the club's all-time leading scorer with 20 regular-season goals.
- ▶ St. Louis became the 31st different club to record an MLS hat trick with only the Portland Timbers and San Diego FC yet to have a player score three goals in an MLS match.
- ▶ The honor is Klauss' second career Player of the Matchday award, previously winning for Matchday 35 in 2023 after bagging a brace to reach 10 goals on the season in a 4-1 win against Sporting Kansas

### City.

- ▶ He's the second St. Louis player to take home the honors this season, following goalkeeper Roman Bürki's win for an eight-save, shutout performance in a 3-0 victory at LA Galaxy on Matchday 3.
- ▶ CITY is the third club to have two players win weekly honors this season, joining Charlotte FC (Pep Biel and Patrick Agyemang) and San Diego FC (Anders Dreyer and Hirving Lozano).

### CITY SC No. 10

- ▶ Since signing as a Designated Player in 2023, Eduard Löwen has been at the center of CITY SC's attacking and transitional play.
- ▶ He finished his debut MLS season with 6 goals and 14 assists, tied for third-most assists in the league, and was named a finalist for the MLS Newcomer of the Year award.
- ▶ At home, Löwen has delivered 24 goal contributions (10G, 14A) in just 30 regular-season matches, helping CITY SC establish a strong home record in MLS.
- ▶ Since 2023, CITY SC has an outstanding 20-3-3 record in regular-season matches when Löwen records a goal or assist.
- ▶ In 59 appearances, Löwen has recorded 13 goals and 19 assists in the regular season.

### SWISS WALL STANDS TALL

- ▶ Goalkeeper Roman Bürki has been a rock for CITY SC since arriving in 2023, earning Goalkeeper of the Year honors, MLS Best XI selection, and back-to-back All-Star nods.
- ▶ In his first MLS season, Bürki led the league in goals prevented and set a new record for most wins by a first-year goalkeeper (17) in the post-shootout era.
- ▶ He also set the benchmark for fewest goals conceded (42) in a full season by an expansion club goalkeeper who played 30+ games.
- ▶ Bürki has carried that elite form into 2025, opening the campaign with three consecutive shutouts, the longest clean sheet streak of his MLS career.

### MARCEL HARTEL: A GAME-CHANGER

- ▶ Designated Player Marcel Hartel made an instant impact after joining CITY SC in 2024 from FC St. Pauli, where he led the club to Bundesliga promotion.
- ▶ In his final season in Germany, Hartel tallied 17 goals and 13 assists across competitions, among the most productive midfielders in 2. Bundesliga.
- ▶ He brought that form to MLS, delivering 10 goal contributions (3 goals, 7 assists) in just nine appearances last season, tying an MLS record for the fewest games played to lead a team in goal involvement.
- ▶ Hartel scored his first MLS goal in a 2-1 win over LA Galaxy and opened his 2025 account with a strike in another win against the same opponent.
- ▶ The midfielder will look to add to his 3g/1a across all competitions.

### FROM GERMANY TO THE LOU

- ▷ Sporting Director Lutz Pfannenstiel has utilized his deep Bundesliga connections to build CITY SC's identity through a core group of players with German ties.
- ▷ Twelve players on the roster were either born in Germany or developed in the Bundesliga or 2. Bundesliga systems.
- ▷ This includes key figures like Roman Bürki, Eduard Löwen, Marcel Hartel, Timo Baumgartl, Cedric Teuchert, and Jannes Horn, among others.
- ▷ Even players not born in Germany, such as Klauss and Ostrák, bring Bundesliga development experience across the squad.
- ▷ German-born players Hartel, Teuchert, Löwen, Baumgartl, and Horn all featured for Germany's youth national teams, including time with the U-21 squad, where they played together.

### ST. LOUIS DEVELOPMENT PIPELINE

- ▷ Since its inception in 2022, CITY2 has been instrumental in shaping CITY SC's competitive structure and first-team talent pool.
- ▷ The inaugural CITY2 team made a statement by winning the Western Conference regular season and tournament championships.
- ▷ Ten players have earned first-team contracts after spending time with CITY2, including standouts like Kyle Hiebert, Célio Pompeu, Josh Yaro, and John Klein.
- ▷ In total, 24 players have logged minutes for both CITY2 and the senior team, underlining the strength and consistency of the club's developmental vision.
- ▷ The pathway from academy to CITY2 to the first team was always envisioned to become a hallmark of CITY SC's long-term philosophy.

### OVERVIEW

The STL CITY SC ownership group is committed to investing in the growth of the city they love and believe Energizer Park, St. Louis' state-of-the-art soccer stadium, plays an important role in continuing to build the positive momentum happening throughout the St. Louis region. As the team looks to fuel St. Louis' continued growth and renaissance, Energizer Park reflects many of St. Louis' most amazing attributes, including its diverse neighborhoods, growing culinary scene, innovative technology, inviting community and spirit of a new St. Louis.

Energizer Park and its surrounding stadium district is the largest urban professional sports campus in the U.S. and the only one with a stadium, team headquarters, and practice facility all within the same footprint. The 31 acre urban campus in Downtown West will help unite the region around its love of sports and serve as the heartbeat of St. Louis by creating a 24/7/365 fan and community experience that encourages visitors and development to Downtown St. Louis.

MLS Commissioner Don Garber said that this comprehensive stadium plan will "serve as a model for future professional sports teams in the U.S."

Anchored by a compact stadium that fits comfortably into its urban neighborhood, the district include spaces for hosting year-round community events, concerts, festivals and other outdoor activities. As a part of the stadium district design vision, every side of the stadium – North, East, South, West – will be open and inclusive and have no back door, with all back of house services occurring via a tunnel below Market Street and fans welcome from every side.

The 22,500-seat Energizer Park is open and transparent, with views into the field from the neighborhood and views out to the city from the seating bowl. The main concourse is level with the west end of Lou Fusz Plaza, reinforcing the pedestrian scale. Its sleek form features a portico along with tall, slender columns that frame the upper seating bowl. A flat canopy fabricated from material that reflects light like the Gateway Arch, provides protection for fans while letting in daylight and amplifies fan noise.

The stadium provides a range of fan experiences, including general seating areas, heart-pounding supporter section and across diverse premium offerings and clubs, include the VIP Pitch Club, Together Credit Union Club, ULTRA Club, and the CITY-owned brew pub.

The 100% local STLMade food experience at Energizer Park, designed by James Beard award-winning Chef Gerard Craft, brings to life the next generation of in-stadium convenience, with state-of-the-art "connected stadium" technologies and modern design features including: dedicated mobile-order ahead via the CITY mobile app, frictionless CITY Go walkout markets, self-service kiosks and mobile wallet/pay technologies to decrease transaction times and increase overall fan convenience.

Energizer Park's state-of-the-art Wi-Fi and communications technology are layered on top of the physical stadium, creating an exceptional fan experience. CITY SC worked with fans and members of the local community to develop everything from partner restaurants to the "music of St. Louis" setting the mood for a truly St. Louis experience.

The first majority female-owned club in MLS history is anchored in the STLMade movement, with a vision to be more than a soccer team and working to be something transformational for the St. Louis region. Energizer Park is our home.
