NEWS & NOTES

REGGIE THE RAPID

The Colorado Rapids announced this week that the club has signed defender **Reggie Cannon** to a three-and-a-half-year contract through the 2027 season, with a club option for an additional year.

The signing marked the fourth U.S. Men's National Team player that Colorado has signed within the last year (**Djordje Mihailovic, Zack Steffen, Sam Vines**).

Cannon, 26, joined the Colorado Rapids as a free agent following his time with Queens Park Rangers in the EFL Championship, where he made 21 appearances. During his tenure with QPR, he contributed to securing five clean sheets.

The Grapevine, Texas, native spent three seasons with Boavista F.C. of the Primeira Liga, Portuguese football's top flight. He registered 89 appearances across all competitions including Liga Portugal, Allianz Cup, Taça de Portugal and Liga Nos.

Cannon began his professional career in December of 2016, when he signed a Homegrown Player contract with FC Dallas. He played for FC Dallas from 2017 to 2020, making his professional debut on June 14, 2017, in a US Open Cup match against the Tulsa Roughnecks and his MLS debut on September 2, 2017, against the New York Red Bulls as a substitute.

At the international level, Cannon has earned 28 caps with the U.S. Men's National Team, making his debut as a starter in a friendly against Peru on October 16, 2018. He has competed in the Concacaf Nations League (2022), World Cup qualifiers (2021), and Gold Cup (2021 and 2019). Notably, he started in the 2019 Gold Cup final against Mexico, scoring his first senior international goal in a subsequent friendly against Costa Rica. He also played in the 2021 Gold Cup final, where the U.S. defeated Mexico 1-0, and was part of the squad that won the Concacaf Nations League in the 2019-20 season. Cannon has scored one goal and provided three assists at the international level.

NEWS & NOTES

CARDIAC YAPI

In their return to MLS play following their Third-Place run in the 2024 Leagues Cup, the Rapids were set for a clash against FC Dallas on the road in Frisco. Despite having little-to-no rest following their seven tournament matches, the Rapids showed up ready to fight for all three points.

Backed by a **Rafael Navarro** brace, the two sides were all even at 2 headed into stoppage time. Recently subbed on **Darren Yapi** was the hero, after the Homegrown forward dinked a shot over the goalkeeper into a wide-open net to secure the victory in the 93rd minute for the Rapids. The goal was Yapi's second of the regular season and his third across all competitions. All three goals were scored in the 90th minute or later, including tonight's game-winner in the 90'+3' and a previous regular season goal against St. Louis CITY SC on July 7, 2024. Yapi also scored a game-winning goal (90'+6) against Deportivo Toluca in the Leagues Cup Round of 16 on August 16, 2024.

CHAMPIONS SPOT SECURED

With their run in the 2024 Leagues Cup leading them to Third Place out of the 47 contending clubs, the Rapids have earned their spot in the 2025 CONCACAF Champions Cup. The club earned third following an impressive run in the tournament that included four consecutive victories over Liga MX sides, the first time an MLS club has ever done so.

The Rapids rounded out their tournament in Third Place thanks to their victory over Philadelphia on Sunday, August 25. Goals from **Calvin Harris** and **Oliver Larraz** kept pace with the Union, leading to a 2-2 draw in regulation. **Zack Steffen** cemented himself as Goalkeeper of the Tournament with two saves in the shootout to propel Colorado to the win.

ZACK STEFFEN: BEST OF THE BEST

Colorado Rapids goalkeeper **Zack Steffen** has been named the Best Goalkeeper of Leagues Cup 2024. His performance throughout the tournament was a key factor in the Rapids' third-place finish and qualification for the 2025 Concacaf Champions Cup.

Steffen recorded a tournament-high 35 saves during the competition. He was instrumental in the Rapids' quarterfinal win against Mexican giants Club América, where he made several saves and successfully converted his penalty during the shootout. The goalkeeper also set a new Leagues Cup record by winning three penalty shootouts in a single tournament.

His notable performances include two saves in the Round of 32 shootout against Club León and saving the first two penalties in the third-place match against Philadelphia.

Introducing the Rapids' One Flag Kit

On Feb. 16, 2024, the Colorado Rapids unveiled the One Flag Kit . The One Flag Kit features the Rapids' signature burgundy as the primary color with sky blue accents on the sleeves and edges of the jersey. Its waved checker pattern pays homage to the supporters' flags seen throughout DICK'S Sporting Goods Park on matchday. A Colorado state flag is featured on the back of the neck, while the iconic mountain range seen in the Rapids' crest is emblazoned with a "96" in the bottom corner of the jersey, calling back to Colorado's place as an original team in MLS.

As part of the One Flag launch, the club announced a partnership with Colorado Soccer Foundation (CSF), a local nonprofit whose mission is to make the game of soccer accessible to all kids who want to play. For the 2024 and 2025 seasons, the Rapids are partnering with CSF to sponsor soccer-specific after-school programming in elementary schools within the Adams 14 school district. Students are coached by teachers from their schools, practice at their schools and play games at Soccer City Aurora. CSF partners with Positive Coaching Alliance to train the teacher-coaches to embrace the "power of positive" and to teach beginning soccer skills.

"The benefits of the soccer after school program are that it takes place right at the school and it is a pay as you're able program," said Emily Fay, Director of Programming at CSF. "Cost is not a barrier, transportation is not a barrier. What we hear most from families is that peer-to-peer relationships improve the student-athlete relationships with their teachers, improve attendance and overall confidence."

Students are coached by teachers from their schools, practice at their schools and play games at Soccer City Aurora. CSF partners with Positive Coaching Alliance to train the teacher-coaches to embrace the "power of positive" and to teach beginning soccer skills.

"It's so important to the club, that we help grow the game of soccer in the state of Colorado." said Colorado Rapids Senior Director of Community Impact & Events Caitlin Kinser. "We're committed to using our One Flag Kit as a platform to eliminate the various barriers that limit access to the sport and ultimately to make the game more accessible for the next generation of budding soccer stars in our community."

In addition to the after-school programming, the Rapids will also be sponsoring free pick-up play at both DICK'S Sporting Goods Park and Soccer City Aurora during the summer months of June-August.

The Rapids' New Day Kit

Last year on Feb. 15, 2023, the Colorado Rapids unveiled the New Day Kit in support of mental health in Colorado.

Co-designed by Denver-based artist Pat Milbery, the kit features a bright, geometric design inspired by Colorado's sunrises and sunsets through the lens of Milbery's distinct street art style.

The partnership between the Rapids, adidas and Milbery marked the first time in MLS history that a team collaborated with a local artist for a jersey design. The New Day Kit will serve as the club's secondary kit for the 2023 and 2024 MLS seasons.

As part of the kit's launch, the Rapids partnered with Mental Health Colorado (MHC) and UHealth to bring attention to the current mental health crisis in Colorado: nearly one in five Coloradans are living with a form of mental illness, which is the third-highest rate in the country and the state ranks last in the nation in access to care relative to the prevalence of mental illness.

With the launch of the New Day Kit, the club hopes to reduce the stigma of seeking help and amplify awareness of public resources.

Mental Health Awareness Month

The month of May is universally recognized as Mental Health Awareness Month. Alongside the New Day Kit's launch last year, the Rapids had announced a month-long plan on ways the club would look to bring awareness to the mental health crisis affecting so many Coloradans.

During the first week of May, the Rapids had suspended all use of their social media accounts as a way to encourage mental health breaks. The club had also announced a series of programs around the topic of mental health, including a call for fans to volunteer throughout the month with Mental Health Colorado, Project Helping, Go4Graham, and the Denver Park Trust. As part of that, the Rapids had collaborated with Go4Graham to host a free, public seminar to promote mental wellness through exercise on May 15.

On May 27, the Rapids had hosted FC Cincinnati during the club's Mental Health Awareness Night. The club had sported the New Day Kit at home for the first and only time this season, with the jerseys featuring special numbers designed by Pat Milbery for this match. Once inside the stadium, fans had been presented with several opportunities to learn more about the club's four mental-health-focused partners and ways they could join the conversation around mental health.

The Rapids had culminated the month by hosting a Mental Wellness Clinic on May 30 in partnership with Mental Health Colorado, which had featured a 40-minute soccer clinic followed by a Q&A with Rapids players.

DICK'S SPORTING GOODS PARK

DICK'S Sporting Goods Park has hosted some iconic games since it opened on April 7, 2007. Herculez Gomez scored the first MLS goal in the stadium as the Rapids defeated D.C. United, 2-1. DSGP hosted the MLS All-Star Game in 2007, against Celtic FC of Scotland, and again in 2015 against English giants Tottenham Hotspur FC. The U.S. Men's and Women's National Teams have enjoyed great success in Commerce City, with both the men and women boasting undefeated records. On March 22, 2013, the USMNT hosted Costa Rica in a 2014 FIFA World Cup Qualifier, known today as "Snow Clasico," a 1-0 U.S. victory played in a blizzard. The Rapids have played in two Snow Clasicos; first in a 2-1 win over New York Red Bulls in 2016. Then in March 2019, Colorado hosted Portland Timbers in the coldest match in MLS history, regular season or playoffs, with a kickoff temperature of just 18° F. The Rapids scored in 32 consecutive MLS matches at DICK'S Sporting Goods Park between October 2018 and August 2021, the longest streak in club history and the fifth-longest in league history.

THE NORTH BOUNDARY

On May 10, 2023, the Rapids had announced plans to renovate the north terrace at DICK’S Sporting Goods Park into the ‘North Boundary,’ marking it as the first field-level, outdoor patio in Denver sports.’

Debuting on July 4, 2023, for the club’s annual 4th Fest celebrations, the terrace-level renovations had created an immersive, close-up experience for watching Rapids games.

Designed by Denver-based planning & landscape architecture firm StackLot and constructed by Turner Construction, the North Boundary will more than double the capacity of the stadium’s current north terrace. The renovated area, located just steps behind the north goal, feature field-side seating, patio tables and a communal space for fans to experience the game up close while enjoying exclusive access to food trucks, bars and gameday activations.

“We’re thrilled to announce our plans for the North Boundary and provide our fans with a new, immersive and engaging way to experience Rapids games. The North Boundary adds to our ongoing matchday enhancements this year as part of our commitment to providing a top-class experience for our incredible fans and making Rapids games the heartbeat of sport in Colorado.”

Chris Armas was appointed as the 10th permanent head coach in Rapids history on November 16, 2023.

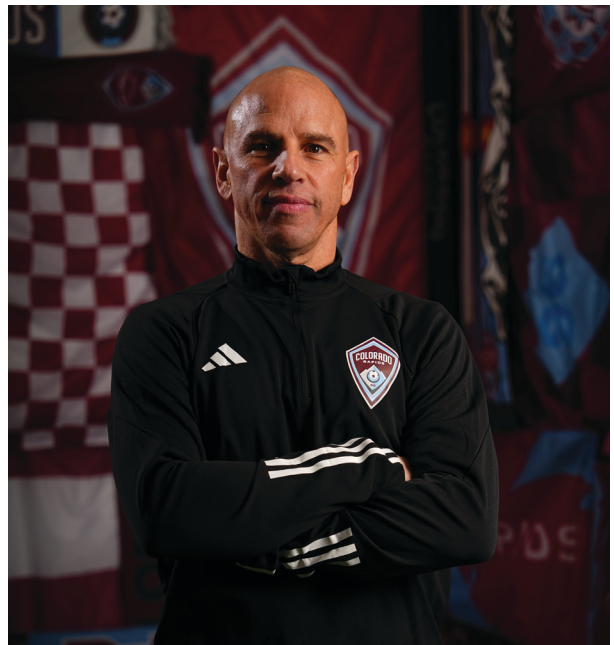

Armas, 51, joins the Rapids with two decades of combined experience in MLS as a player and coach. The former defensive midfielder (LA Galaxy, Chicago Fire FC) enjoyed a successful, 12-year playing career in the league during which he won an MLS Cup (1998), a Supporters' Shield (2003) and four Lamar Hunt U.S. Open Cups (1998, 2000, 2003, 2006). A six-time MLS All-Star (1998, 1999, 2000, 2001, 2003, 2004), Armas is one of only five players in league history to have been named to the MLS Best XI five times (1998, 1999, 2000, 2001, 2003). After recovering from an ACL injury sustained in 2002, he was named the MLS Comeback Player of the Year in 2003, as well as Chicago Fire FC's MVP during their Supporters' Shield-winning season that same year.

A native of New York City, **Armas** earned 66 caps for the U.S. Men's National Team during his playing career, winning two Concacaf Gold Cups (2002, 2005), as well as being named the U.S. Soccer Male Athlete of the Year in 2000.

After his retirement from playing, **Armas** began his coaching career in 2008 as an assistant coach for Chicago Fire FC before spending four years as head coach of Adelphi University's women's soccer team. In 2015, he joined the New York Red Bulls as an assistant coach as the side won the Supporters' Shield that year. Armas was then appointed Red Bulls head coach in July 2018 following Jesse Marsch's departure to RB Leipzig, finishing the regular season with a 12-3-3 record as his side won the 2018 Supporters' Shield, while also leading the club to the Eastern Conference Finals. Most recently, Armas served as an assistant coach for English Premier League sides Manchester United (2021-22) and Leeds United (2023).

ARMAS ON BEING NAMED RAPIDS HEAD COACH

"I'm incredibly proud and excited to take the role as the head coach of the Colorado Rapids," said **Chris Armas**. "This is a club that has had success in the recent past and KSE is an organization that has a strong track record of winning championships. Throughout the process I was struck by the desire of the organization to return to the playoffs and compete for trophies. I'm as hungry as ever to deliver this success to our fans and our club. I've always been eager to implement my style of play at a club that plays and trains at altitude. This advantage, along with high energy, attacking and entertaining football, can help our team and fans return to home field dominance. I'm thrilled to have the opportunity to take the reins and to work with the entire staff to get the club back into the playoffs and ultimately to bring another MLS Cup to Colorado."

CAPTAIN KEEGAN

Drafted third overall in the 2016 MLS SuperDraft by the Philadelphia Union, Roseberry become the first-ever MLS rookie to play in every minute of every game in a 34-match regular season.

On Dec. 19, 2019, Rosenberry was traded from the Union to the Rapids where he recorded 17 appearances in his first season with the team. Since joining Colorado, Rosenberry has recorded six goals and 10 assists.

Fun Fact: Rosenberry is the Rapids' unofficial barber, giving fellow teammates haircuts in his free time in between matches.

Rosenberry is in his sixth season with the Rapids, where he has only missed five total regular-season matches in the previous four seasons. The 29-year-old attended Georgetown University from 2012-15, where he helped the Hoyas men's soccer team to an NCAA Division 1 Final Four appearance in his freshman year.

COLE'S CONTRIBUTIONS

The Littleton, Colorado native, a product of Colorado Rush, joined the Rapids Academy in 2017 and signed a Homegrown Player contract with the club in August 2018 at age 17, becoming the youngest signing in Rapids history. He also set records as the youngest player in club history to debut and score a goal.

Internationally, Bassett earned his first U.S. Men's National Team call-up, scoring the game-winning goal in a 1-0 friendly win over Bosnia & Herzegovina on Dec. 18, 2021. Most recently, he contributed an assist for the U.S. Men's Olympic Team during their 1-1 draw with Iraq U-23 in the November International Window.

Bassett was named to the U.S. Men's Olympic Team roster for two international friendlies in June of 2024 as the team prepares for the 2024 Summer Olympics in Paris. He was also called up after the 2023 MLS season.

With his goal on June 15 against Austin, Bassett became the youngest player to score 25 goals in club history at 22 years and 323 days old, tying his single-season career high for goals. He is just the second player to reach this milestone before turning 28.

VOYCENOW FOUNDATION

VOYCENOW was founded as a direct response to the Black community's fight for equality. After the tragic murder of George Floyd, Zack Steffen, felt empowered to take action and speak out against the racial inequalities plaguing our nation. This pushed Zack to join forces with his former University of Maryland and

Columbus Crew teammate Alex Crognale to create VOYCENOW Foundation, a nonprofit that unites athletes from across the world to use their platforms to advocate Equality for All.

Propelled by their desire to use their social media platforms to ignite positive change, the founders are committed to rallying their fans and supporters to become allies for the Black community. Since its origins, VOYCENOW is now backed by the collaborative efforts of 150+ Athlete Ambassadors spanning 20 leagues and 13 countries. Together they make up VOYCENOW, a community of change-makers fighting for equality.

The VOYCENOW community is dedicated to empowering the next generation of changemakers. Our efforts are organized into three key programs: Academic Success, Sports & Activities and Healthy Habits.
