MNUFC'S LEAGUES CUP HISTORY

- Minnesota United made its deepest Leagues Cup run during the inaugural 2023 tournament, advancing to the Quarterfinals. The Loons opened Group Stage play with a dominant 4-0 victory over Club Puebla before falling to Chicago Fire FC. Minnesota then advanced past Columbus Crew and Deportivo Toluca in consecutive penalty shootouts before its run ended with a 5-0 loss to eventual runner-up Nashville SC.
- Bongokuhle Hlongwane starred throughout the tournament, scoring seven goals to finish second in the Golden Boot race behind Lionel Messi.
- The Loons have competed in each edition of Leagues Cup since 2023. In 2024, Minnesota defeated Club Necaxa following a penalty shootout but missed the Knockout Rounds on goal differential after all three teams in its group finished with three points. MNUFC returned in 2025 and opened Phase One with a 4-1 victory over Querétaro FC before earning a point in a thrilling 3-3 draw against Club América, ultimately falling 8-7 in the ensuing shootout. A loss to Atlético de San Luis in the final Phase One match ended Minnesota's tournament run.
- The Loons returned to Leagues Cup action in 2026, facing FC Juárez, Tigres UANL and Atlante FC, and had a 1-1-1 (W-L-D) record.

MNUFC'S U.S. OPEN CUP HISTORY

- Minnesota United made a strong run in the 2025 Lamar Hunt U.S. Open Cup, advancing all the way to the semifinals. The Loons showcased resilience throughout the tournament, earning key wins against strong opposition before ultimately falling just short of a spot in the final. Minnesota United fell to 2-1 to Austin FC. Joaquín Pereyra provided the Loons' lone goal in the match, but Minnesota ultimately came up just short of reaching the final. Their semifinal appearance marked one of the club's deepest Open Cup runs in recent years, highlighting Minnesota's ability to compete across multiple competitions and against top-tier opponents.
- Minnesota United has experienced success in the Lamar Hunt U.S. Open Cup, with their deepest run coming in 2019 when the club reached the Final. The Loons earned notable victories throughout that tournament, defeating Sporting Kansas City, Houston Dynamo FC and Portland Timbers before ultimately finishing as runners-up after falling to Atlanta United FC in the championship match, marking the club's best-ever performance in the competition. Since then, Minnesota has remained a

competitive side in Open Cup play, consistently showing the ability to make meaningful runs against both MLS and lower-division opponents.

U.S. OPEN CUP ROUND OF 32

- Minnesota United advanced to the Lamar Hunt U.S. Open Cup Round of 16 after defeating Sacramento Republic FC in a dramatic penalty shootout following a scoreless 120 minutes of regulation and extra time. In a tightly contested match at Heart Health Park, neither side was able to find a breakthrough despite chances across the two-hour battle, sending the match to penalties.
- The shootout extended through the full lineup and into the goalkeepers, with both sides converting multiple attempts under pressure. Minnesota goalkeeper Alec Smir stepped up for the Loons' attempt but was denied, creating a chance for Sacramento to win moments later. Smir quickly redeemed himself in the next sequence, diving to save Sacramento goalkeeper Danny Vitiello's penalty to keep Minnesota alive. The Loons ultimately prevailed 9-8 from the spot to punch their ticket into the next round. Minnesota will Face the San Jose Earthquakes on April 28 at 9:00 p.m. CT.

U.S. OPEN CUP DEPARTURE

- Midfielder Tomás Chancalay was the only Minnesota United player to score a goal for Minnesota United in the 4-2 loss to the San Jose Earthquakes, the other goal was an own goal scored by San Jose's Ronaldo Vieira after pressure from Anthony Markanich near the box. Anthony Markanich also earned the assist in Chancalay's goal.
- Minnesota United has a 10-7-3 in Lamar Hunt U.S. Open Cup matches, after its loss to the San Jose Earthquakes. All three draws have ended in penalty shootout wins for the Loons.

ABOUT MAJOR LEAGUE SOCCER

Minnesota United FC plays in North America's top professional soccer league, Major League Soccer (MLS). The league features 30 teams from across the United States and Canada.

After a successful bid to host the FIFA World Cup in 1994, the United States Soccer Federation (USSF) founded MLS to bring a top-level soccer league back to the country for the first time since 1984, when the original NASL folded. The league was set to begin play in 1996 with 10 teams: Colorado Rapids, Columbus Crew, D.C. United, Dallas Burn (FC Dallas), Kansas City Wiz (Sporting Kansas City), Los Angeles Galaxy, New England Revolution, NY/NJ MetroStars (New York Red Bulls), San Jose Clash (Earthquakes) and Tampa Bay Mutiny.

The league's first game was played on April 6, 1996 as the San Jose Clash played D.C. United in front of 31,000 fans at Spartan Stadium. The league drew large crowds in its opening season, pulling star power from around North America and building on the excitement of the 1994 FIFA World Cup.

As MLS has continued to grow, clubs have begun moving out of shared American football venues and into soccer-specific stadium, led by Columbus Crew, who moved into the soccer-specific Historic Crew Stadium in 1999. Currently, 22 teams play in soccer-specific venues.

With the addition of San Diego FC as the league's 30th club, the schedule format will include every MLS team competing in 34 regular season games, featuring 17 at home and 17 on the road. Clubs will play conference opponents twice, once at home and once away. Additionally, each club will play one match against six different cross-conference opponents.

Starting in 2023, the league adopted a new playoff style after three seasons of a single-elimination format. At the end of the MLS Regular Season, the top seven teams from each conference will automatically qualify to the Round One Best-of-3 series while the next two teams in each conference standings will qualify for a single-elimination Audi MLS Cup Playoffs Wild Card match. The winners of each Wild Card game will earn a spot in the Round One Best-of-3 series.

Australian midfielder Nectarios Triantis joined Minnesota United prior to the close of MLS' Secondary Transfer Window in 2025 as a U22 Initiative.

The Australian midfielder scored three goals and two assists in his nine all-competition matches with Minnesota, including an incredible debut performance where he first assisted the team's second goal of the match before scoring from midfield in stoppage time (92nd minute) to secure a thrilling 3-1 victory over San Diego FC. After this match, he was featured alongside goalkeeper Dayne St. Clair on Team of the Matchday 33. A few matches later, Triantis delivered again, scoring a late equalizer against the Colorado Rapids to secure a vital road point in September 2025. That strike was later recognized as the Energy Moment of the Matchday, and he was subsequently named to the Matchday 37 MLS Team of the Matchday. Triantis also scored his first MLS Playoff goal in the second game of Round One against Seattle Sounders FC.

Triantis joined Minnesota United after being on loan with Scottish Premiership side Hibernian FC from Sunderland since February 2024, where he appeared in 50 matches overall, scoring three goals and recording six assists. The Greek international was part of the squad that finished the 2024-25 Premiership season with a 17-game unbeaten streak, including three consecutive shutouts at the end of the season.

Triantis has represented Australia at both the U-20 and U-23 national team levels. He was part of the Olyroos squad that competed in U-20 international friendlies and the 2023 AFC U-23 Asian Cup, as well as several international friendlies. He was later called up to the Socceroos in early 2025 but did not log any minutes for the Australian side. However, in mid-2025, Triantis submitted a one-time switch request under FIFA eligibility rules to represent Greece, reflecting his dual Australian and Greek heritage. The request was officially approved in August 2025, making him eligible to play for the Greek Men's National Team. In November 2025, Triantis received his first international call-up for the Greek National Team. He was on the bench against Scotland before making his senior team debut against Belarus to help Greece in World Cup Qualifying.
