COLORADO RAPIDS 2026 GAME NOTES

THE BURGUNDY BULLETIN

PUSH TO THE PLAYOFFS

With only five games remaining in the MLS regular season, every point matters for **Colorado** as they look to claim a playoff spot in the Western Conference. Currently in ninth place with 38 points, the Rapids sit in the second of two Wild Card spots and are only three points away from slotting into a First Round Best-of-Three spot in the West.

PROTECTING THE FORTRESS

At home so far this season, the **Rapids** have seen some of the highest rates of success across the entire league. The club currently holds a **nine-match unbeaten streak** at DICK'S Sporting Goods Park in MLS play with a 6-0-3 record. Over the course of the season Colorado has posted nine wins at home, which is currently tied for the most in the Western Conference and ranks as the second-most in all of MLS.

PAXTEN PROVIDES

After logging another assist this past week against Minnesota, Designated Player **Paxten Aaronson** continued his impressive run of form.

The assist marked his club-leading 10th of the season and marked his seventh goal contribution over his last six MLS appearances (3g, 4a).

His 10 assists are tied for the fifth-most by a player in MLS so far this season.

The midfielder also leads the club in total goal contributions this season with 17 (7g, 10a).

IN FORM PHILLIP

On the goal scoring front for Colorado, forward **Donavan Phillip** has been leading the way as of late. After scoring his first career MLS goal on September 19 against Seattle, the MLS SuperDraft pick has scored in each of the club's two games since.

Phillip went on to score in three consecutive MLS matches, becoming the youngest player in club history to accomplish the feat at 21 years and 279 days old.

The forward has scored three goals over his last four MLS appearances.

2026 KITS

COLORADO RAPIDS 2026 GAME NOTES

COLORFUL COLORADO KIT

On Feb. 11, 2026, the **Colorado Rapids** unveiled the **Colorful Colorado Kit** to serve as the club's primary kit for the 2026 MLS season. Heading into a massive year for soccer in North America, the Rapids are taking this opportunity to honor the club's legacy and celebrate with an unexpected new look. The kit launch is also accompanied by a community initiative in partnership with UHealth to donate 10,000 soccer balls to youth across Colorado over the next two years.

A design two years in the making, the Colorful Colorado Kit embodies all the colors of the Rapids, from 1996 to 2026, weaving every era into a bold design that represents 30 years of rich history as an MLS Original. A black base is accented with burgundy stripes on the shoulders and shorts while the numbers and sponsor marks remain in the classic sky blue. Combined, this provides a fresh take on our traditional 'burgundy & blue' look by reimagining the club's past colors and incorporating green, gold and royal blue into a sleek modern silhouette.

HEADWATERS KIT

This year on Feb. 14, 2025, the **Colorado Rapids** unveiled the **Headwaters kit**, the club's community kit for the 2025 and 2026 Major League Soccer seasons, supporting efforts to restore and protect Colorado's rivers.

The Headwaters Kit draws inspiration from the rivers that originate high in the Rocky Mountains, providing water to millions across the American West. The design reflects the flowing waterways that shape Colorado's topography, symbolizing the connection between the state's natural resources and its people.

As part of the Headwaters Kit launch, the Rapids have partnered with Colorado Water Trust, a nonprofit organization dedicated to restoring and protecting Colorado's rivers. The Rapids will donate \$15,000 to the nonprofit, helping to benefit the 27 projects they operate around the state.

The Rapids' contribution will help fund initiatives such as increasing water flow to river segments, supporting aquatic ecosystems, and ensuring sustainable access for Colorado communities.

DICK'S SPORTING GOODS PARK

DICK'S Sporting Goods Park has hosted some iconic games since it opened on April 7, 2007. Herculez Gomez scored the first MLS goal in the stadium as the **Rapids** defeated D.C. United, 2-1. DSGP hosted the MLS All-Star Game in 2007, against Celtic FC of Scotland, and again in 2015 against English giants Tottenham Hotspur FC. The U.S. Men's and Women's National Teams have enjoyed great success in Commerce City, with both the men and women boasting undefeated records. On March 22, 2013, the USMNT hosted Costa Rica in a 2014 FIFA World Cup Qualifier, known today as "Snow Clasico," a 1-0 U.S. victory played in a blizzard. The Rapids have played in two Snow Clasicos; first in a 2-1 win over New York Red Bulls in 2016. Then in March 2019, Colorado hosted Portland Timbers in the coldest match in MLS history, regular season or playoffs, with a kickoff temperature of just 18° F. The Rapids scored in 32 consecutive MLS matches at DICK'S Sporting Goods Park between October 2018 and August 2021, the longest streak in club history and the fifth-longest in league history.

Matt Wells was appointed as the 11th permanent head coach in Rapids history on December 23, 2025.

Wells, 38, joined the Rapids after spending the past two-plus seasons on the first-team coaching staff at Tottenham Hotspur of the English Premier League. Over his time with the club, Wells worked under highly regarded Head Coaches such as current U.S. Men's National Team manager Mauricio Pochettino, Ange Postecoglou, and most recently, Thomas Frank. Under Postecoglou, Wells was Assistant Manager for the campaign that saw Tottenham lift the 2024-25 Europa League trophy, marking the club's first European title since 1984. Following a coaching change, Wells was retained as an Assistant Coach for this current Premier League season under Frank, where the club competed in the UEFA Champions League.

From 2015 to 2019, Wells worked across multiple age groups within Tottenham's academy system, coaching teams from the U18 through U23 levels. As the U23 coach during Pochettino's tenure at the club, Wells worked diligently with the goal of creating an ideal player pathway to ensure a seamless transition from the youth level to the first team.

Prior to returning to Tottenham, Wells served as Assistant Manager under Scott Parker, beginning with Fulham in 2019. Wells continued in the same role when Parker was appointed manager at AFC Bournemouth, serving on staff from 2020 to 2022. In December 2022, he followed Parker to Club Brugge, spending part of the 2022-23 campaign on the Belgian side's coaching staff. To add to his Europa League trophy win as Assistant Manager with Tottenham, Wells also achieved a double promotion to the Premier League with Fulham in 2020 and Bournemouth in 2022, gaining extensive experience in match preparation, opposition analysis, and youth-to-first-team progression.

WELLS ON BEING NAMED RAPIDS HEAD COACH...

"I want to thank the ownership at KSE for putting their faith in me to take the club forward," said Head Coach **Matt Wells**. "I'm a very ambitious individual who has been surrounded by elite players and managers for the past seven years, and I'm excited to bring my experience and winning mentality to this organization. From the very outset of our discussions, it was clear the club shared my ambitions to create something special and compete for the highest honors. Of course, it's a difficult decision to leave a team playing Champions League football, but everything about the people and project at Colorado made the choice clear for me. I can't wait to get to work with this exciting young squad and transmit my footballing idea so that we can deliver a winning brand of football our fans can be proud of."
