KEY NOTABLES

- On Dec. 31, 2025, The Black & Gold announced Henrik Rydström as the ninth full-time head coach in Club history. With a win against the Portland Timbers on Feb. 21, Rydström would become the fifth head coach in Club history to earn a win in their first match in charge. Rydström would become the Club's first head coach to win their first match, as well as their first road match, since Gregg Berhalter in 2014.

- The Crew finished the 2025 regular season in seventh place of the Eastern Conference with 54 points, tied for fourth-most in Club history. The Crew have surpassed 50 points in three consecutive seasons for the first time in franchise history (Club-record 66 in 2024, tied for previous record 57 in 2023) and join FC Cincinnati as the only two clubs to record the feat in the past three seasons.

Most points in Crew history

1. 2024 – 66 points (19-6-9)
2. 2023 – 57 points (16-9-9)
3. 2008 – 57 points (17-7-6)
4. 2025 – 54 points (14-8-12)
5. 2017 – 54 points (16-12-6)

- The Black & Gold have earned 177 points since the 2023 MLS Cup winning season, the second-most in MLS during that span.

- Columbus holds a 3-6-4 regular season record against the Portland Timbers. In the last meeting, the two sides tied 2-2 in Columbus on April 20, 2024.

- The Crew have recorded 13 wins (13-10-7 record) in season openers, tied for the fourth most in MLS since the inaugural season in 1996. They have also won their past two openers, as well as three of their previous four season debuts.

- Since the start of their 2023 MLS Cup winning season, the Black & Gold have scored 194 regular season goals (league-best 67 in 2023, Club-record & sixth-most in single MLS season 72 in 2024; 55 in 2025), the second-most in MLS in that timespan. Columbus also averages 1.90 goals per game since the start of 2023.

- Homegrown Midfielder Sean Zawadzki was named the Crew's captain on Feb. 16.

- Forward Diego Rossi is one of only nine Crew players to record 10 or more goals in back-to-back campaigns. Should Rossi record 10 goals during the 2026 regular season, he would join Gyasi Zardes and Lucas Zelarayan as the only players in club history with at least 10 goals in three-straight seasons. Rossi is also one goal and one assist away from becoming only the 15 player in MLS history to register atleast 80 goals and 40 assists.

- Over the offseason, the Club signed goalkeeper Luke Pruter, midfielders Sekou Bangoura and Zach Zengue, and forwards Nariman Akhundzada and Jamal Thiarié. Additionally, defenders Quinton Elliot and Owen Presthus, and forward Chase Adams were signed as Homegrown players.

Should Rossi register 10 goals during the 2026 regular season, he would join Gyasi Zardes and Lucas Zelarayan as the only players in club history with at least 10 goals in three-straight seasons.

HENRIK RYDSTRÖM

HEAD COACH

The Columbus Crew announced Henrik Rydström as their ninth full-time head coach in Club history on Dec. 31, 2025. Rydström – who most recently led the renowned Malmö FF of Allsvenskan, Sweden’s top football division – comes to the Black & Gold with 10 years of coaching experience, including seven as head coach of Swedish sides, after playing professionally for 24 years.

During his first year at the helm of Malmö FF in 2023, Rydström directed the team to the Allsvenskan championship with a 20-6-4 record. In 2024, he guided the squad to back-to-back league titles and a Swedish Cup victory, completing the club’s first such double since 1989.

Hired as Malmö FF’s head coach in December 2022, Rydström compiled a 39-9-12 record in Allsvenskan competition during his two full seasons with the club. His squad averaged more than two points per match in 2023 (2.13 per game) and 2024 (2.17 per game) and amassed 20 league wins during his first campaign, tied for the third-most in team history and only the side’s third time reaching the mark since 2001 (21 in 2016 and 2010). Rydström and Malmö FF earned a 4-1 penalty-kick victory over Djurgårdens IF after being level 1-1 in the 2023-24 Swedish Cup Final, lifting the trophy for only the second time since 1990.

Rydström began his coaching career in 2016 as an assistant with Kalmar FF, the club where he spent the first 20 years of his playing career. In July 2018, he was elevated to acting head coach when Nanne Bergstrand went on sick leave, managing Kalmar for 10 Allsvenskan league matches through the end of the season. On Dec. 10, 2018, Rydström and Mirza Jelečak were presented as co-head coaches to lead IK Sirius. In 2019, Sirius maintained its position in the Swedish top flight, and Rydström was awarded full-time head coaching responsibilities. In 2020, he guided Sirius to a 9-11-10 record in league play before returning to Kalmar in 2021 as head coach.

During his first season directing Kalmar, Rydström led the club to a 13-8-9 record in league play, finishing sixth in the Allsvenskan. The following year, Kalmar improved to 15-6-9 and a fourth-place standing to secure a spot in the UEFA Europa Conference League qualifying rounds.

Rydström, who played professionally in his native Sweden for nearly a quarter century, is a Kalmar youth product and midfielder by trade. From 1994-2013, he competed in 551 league games and scored 23 goals with Kalmar while his 802 matches across all competitions are an active record for the club. The team captain led Kalmar to its only Allsvenskan league championship in 2008 and helped the side secure the Swedish Cup title in 2007. He ultimately concluded his playing career with IFK Berga, Listerby IK and Hossmo BK.
